### SATURDAY DINNER

#### Revival Kitchen

64 Main Street, Reedsville - (717) 667-7932

**Revival Kitchen** was born out of a desire to create a dining experience centered on locally-sourced ingredients carefully crafted using both classical and modern cooking methods. We saw a need for a restaurant in the area that utilized the high-quality produce and artisan products offered by the surrounding area. Revival has, along with the community of farmers who help make it possible, turned Reedsville into a dining destination, where people flock to taste a creative, ever-changing, and seasonally fresh menu. We serve a 5-course tasting menu Thursday, Friday and Saturday evenings reservations books pretty far in advance so make sure to check out [www.RevivalKitchen.com](http://www.RevivalKitchen.com) to save a table for your next visit.

We returned to Quintin's local roots (born and raised in Mifflin County) in 2015 to open Revival Kitchen in Reedsville. I have grown to love the area and call it home. We hope you enjoy the natural beauty of the Juniata River Valley.

### SATURDAY ACTIVITY

Explore Big Valley. Swing by **Brookmere Winery** to try some local vine to glass wine. Go to **Peight's Country Store** and grab a few snacks, gifts or memorabilia from Amish country. Then explore some of the greenhouses (May-Sept.) like **Green Lane Greenhouse**, corner of Green Lane and Lupine Lane; or **Smoker Family Farmstand**, South Kish Street.

#### The Wood Lathe Shop

Make your way to Joe Peachey's **Wood Lathe Shop**. It's pretty spectacular and enjoy a nice country drive home on Back Mountain Road.
